We have changed our calendar to accommodate the time change to 2pm, please keep me posted should this be a problem.

When I shared the consultation timeframes, that day is the best for WR due to other commitments of our leadership.

Thank you,

CynthiaO.

Hi Cynthia,

I heard back from my management regarding your proposed October 11 date for consultation. Unfortunately, in order to make it by 11a we would need to travel the day before, but the day before is October 10 which is a federal holiday and we are not allowed to travel on federal holidays. If we travel up there the morning of October 11, we could make it by about 2p at earliest. Would something like that work? Or are there other alternate dates?

Good Morning,

We look forward to having our Tribal Council consultation here at Walker River. We would like to schedule consultation with us on October 11, 2016 at 11:00 am.

We hope this accommodates the schedules for you as well. I have had the chance to discuss our time schedules with Chairman and Vice Chairman to confirm this date for the NPL listing of Anaconda Superfund Site. The next couple of months will be very busy for us.

Thank you and Best Regards,

Cynthia Oceguela
